NEWS FEEDS

**LLOYD'S REGISTER & DANAOS MANAGEMENT CONSULTANTS S.A.
A NEW COOPERATION INITIATIVE ON NEW TMSA IMPLEMENTATION
SERVICES**

With great pleasure we would like to advise our clients that Lloyd's Register and Danaos Management Consultants S.A. have agreed a new co-operation initiative which is aiming to provide a unique and innovative solution for Tanker Management Self Assessment (TMSA) Compliance.

As part of this new initiative which introduces Danaos software and consultancy services into an integrated solution package, Lloyd's Register will provide extensive training courses for sea going staff and shore based personnel in order to meet the new training requirements of TMSA.

Should you wish to receive detailed information regarding the Lloyd's Register and Danaos proposed combined package of Software and Services please do not hesitate to contact us.

Best regards

A. Poulouvassilis

Area Manager, Marine Business
East Mediterranean & Black Sea

Danaos and Lloyd's Register on TMSA

DANAOS MANAGEMENT CONSULTANTS, with the support of **LLOYD'S REGISTER MARINE TRAINING SERVICES**, provides a unique and innovative packaged solution for tanker operators in order to enable you to reach the highest stages of TMSA guidelines.

The new packaged service consists of:

- Initial assessment and evaluation of your existing management system against the TMSA KPI's by experienced Danaos-affiliated consultants (G.P. Innovatech Ltd) who also have had long past cooperation with Lloyd's Register
- Gap analysis and formulation of Strategy/Improvement plan by the consultants
- Development and implementation of your Risk Management system (including Management of Change procedures) by the consultants
- Improvement of the existing management system documentation and compliance with **ISO 9001:2000**, **ISO 14001:2004** and **OHSAS 18001** standards by the consultants
- **DANAOS Headquarters Software Systems:** ISM System, Risk@assessor System, Key Performance Indicators (KPI's), Crewing System, Planned Maintenance System, Supply Cycle System, Dry-docking System, Synchronisation System
- **DANAOS On Board Software Systems:** ISM System, Risk@assessor System, Crewing System, Planned Maintenance System, Supply Cycle System, Synchronisation System
- **LLOYD'S REGISTER'S MARINE TRAINING SERVICES courses:** Risk Assessment & Incident Investigation training course, Managing & Leading Change training course, Media response training course, and other relevant courses
- Horizontal & Vertical Auditing by the consultants

INTEGRATED TMSA SERVICES

Our mission is to integrate high quality training, well defined management system documentation and an efficient software solution in order to develop a unified working framework tailor made to your company's individual needs
